**Dear Resident,**

I am very humbled to have been re-elected at the State Election in March to continue serving as your local Member of Parliament.

It is also a great privilege to have been sworn in as the Minister for Education, Early Childhood, Preventative Health and Wheatbelt in the Cook Labor Government. As a teacher of 27 years, I know the power of education. Whilst I am getting stuck into my work serving the people of Western Australia in these important portfolios, my heart always stays true to Wanneroo.

My commitment to Wanneroo, serving you and our community remains my top priority. My team and I continue to work tirelessly to assist you. I look forward to meeting you soon, please feel free to pop into my office and say hello.
