Dear Resident,

It is hard to believe that 2024 is quickly coming to an end! It is an absolute privilege to be your local MP - working hard for you every single day - in our community that I love.

From helping residents with individual issues, to delivering important projects and services to supporting our community, sports clubs and schools. I give it my all.

The best way for me to do my job well is to hear directly from you. Please feel free to pop into my office, follow my social media to stay up to date with upcoming events or give me some feedback by filling out the survey in this newsletter.

And of course, I will always continue my regular doorknocking to have face to face conversations one door at a time.

From my family to yours, I wish you a very Merry Christmas and a safe, healthy and happy 2025.

One of my favourite events of the year is our **Wanneroo Show**. And what a great weekend it was for the 115th show brought to us by the **Wanneroo Agricultural Society**.

A wonderful time to showcase our agricultural sector and bring together our amazing local community and volunteer groups.

I loved the opportunity to host our **Premier Roger Cook** and **Minister for Agriculture Jackie Jarvis** – and yes our Wanneroo seedlings were a great hit again.

A special thanks to all at the Wanneroo Agricultural Society and the many, many volunteers who work so hard all year round to make it happen. I am a proud sponsor each year.

I enjoyed every single minute.

Introduced **Premier Roger Cook** to the **Little Corn Truck**

Fantastic to see our **young people excited** to grow **Wanneroo seedlings**

Proud to sponsor the Incredible Creatures petting zoo

Circle of Friends Community Choir were part of the incredible entertainment

Wonderful to have **Premier Roger Cook, Minister Jackie Jarvis** along with my **Federal and State WA Labor** colleagues at the Show

Great to say hi to **Wanneroo Agricultural Society President Dot Newton**
